

YOO MARI NUSANTARA

Simple & Enjoyable Crispiness

ABOUT US

We are a snack distributor based in Indonesia, specialising in the production of crisps that are enjoyed by people from all walks of life and are produced to the highest hygiene standards.

Founded by professionals with a long track record in the export and import industry, we understand that great products require a smart supply chain.

We bridge the gap between the richness of local produce and global quality standards, ensuring that every product that reaches the consumer remains crisp and authentic.

That is why we established PT. Yoo Mari Nusantara in 2026, with the great hope that everyone can enjoy crisps made from the finest ingredients, which are crisp and healthy.

A BLESSING OF INDONESIAN NATURE *For The World*

From the fertile land of Indonesia,
we bring you natural, wholesome, and flavorful snacks
crafted with care, shared with the world.

Natural Goodness, Shared Happiness

— INDONESIA'S FINEST SNACKS & SPICES —

Vision Mission

Vision :

To invite you to discover and enjoy healthy, traditional Indonesian snacks made from the finest ingredients, with natural flavours and continuous innovation – for everyone, anywhere and at any time

Mission :

- To maintain the highest quality through the selection of the finest raw materials and hygienic processes meeting export standards, whilst improving farmers' living standards.
- To promote Indonesian cultural values through creative and educational campaigns.
- To develop flavour innovations that appeal to global tastes whilst retaining authentic Indonesian flavours.
- Safe and environmentally friendly packaging that meets export standards
- To expand into global markets by building an international distribution network to introduce our crisps as a healthy snack for anyone, anywhere and at any time.

TEMPEYOO

Made from the finest non-GMO soya beans, which we process under hygienic conditions to ensure that the flavour, aroma and nutritional content are well preserved, we then combine them with a blend of natural Indonesian spices to create a unique and healthy taste experience for everyone
